Question 47:

In Annex B - Draft Framework Service Contract - 2.3 Liability

2.3.3 "The contractor shall be held liable ... but only to an amount not exceeding three times the total amount of the relevant order form or specific contract."

Could you please confirm, that liability is limited to three times the amount of a particular call-off order, e.g. if the amount of a call-off order in the context of the framework service contract is 7.000,-- €, liability is limited to 21.000,-- €?

Will liability be considered for each call-off order separately or will the amounts be accumulated? E.g. Amount of call-off order 1 is 7.000,-- €, amount of call-off order 2 is 5.000,-- €. Liability of call-off order 2 is 15.000,-- € or (accumulated order 1 +2) 36.000,- €?

Answer 47:

We confirm that the liability is limited to three times the total amount of the relevant order form or specific contract, except in case of gross negligence or wilful misconduct of the contractor, as stated in article 2.3.3 of Annex B – Draft Framework Service Contract.

The liability shall be considered for each order form or specific contract separately.
