Directorate (DIR)

1. Description of the Department

The mission of the Directorate is to guide and manage the Agency, ensuring that its objectives and related tasks are achieved efficiently and effectively and in accordance with the direction given by the Management Board.

The Directorate consists of a small team, supporting the Director in the day-to-day management and in meeting the needs of the organisation in relation to its future internal and external development.

Currently, there are ten persons working in the Directorate, including one Intern.
