² **Personal data** is any information relating to an identified or identifiable natural person, i.e. someone who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity. This information may, for example, be the name, date of birth, a telephone number, biometric data, medical data, a picture, professional details, etc.

Processing means any operation or set of operations which is performed on personal data, whether or not by automatic means, such as collection, recording, organisation, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.

³ In case of more than one controller (e.g. joint FRA research), all controllers need to be listed here

⁴ This is the unit that decides that the processing takes place and why.

⁵ Is the FRA itself conducting the processing? Or has a provider been contracted?

3) Purpose of the processing (Article 31.1(b))

Why are the personal data being processed? Please provide a very concise description of what you intend to achieve with the processing operation. Specify the rationale and underlying reason for the processing and describe the individual steps used for the processing. If you do this on a specific legal basis, mention it as well (e.g. staff regulations for selection procedures).

The purpose of the processing of the personal data is:

1. To receive and assess feedback and suggestions provided by organisations registered in the FRP database on a specific topic/issue (e.g. FRA Annual Work Programme, FRA Annual Report);
2. To inform FRA stakeholders about the results of consultations, including organisations that provided input.

The questionnaires request only the identification of the organisation. However, as such, a collection may indirectly identify a person; the Agency would like to inform the persons how their data will be handled.

4) Description of the categories of data subjects (Article 31.1(c))

Whose personal data are being processed?

- | | |
|---|-------------------------------------|
| FRA staff | <input type="checkbox"/> |
| Non-FRA staff (the civil society organisations, registered in the FRP database) | <input checked="" type="checkbox"/> |

5) Categories of personal data processed (Article 31.1(c))

Please tick all that apply and give details where appropriate. Include information if automated decision making takes place, evaluation and monitoring

| FRA network shared drive | <input checked="" type="checkbox"/> |
| Outlook Folder(s) | <input type="checkbox"/> |
| CRM | <input type="checkbox"/> |
| Hardcopy file | <input type="checkbox"/> |
| Cloud (give details, e.g. cloud provider) | <input type="checkbox"/> |
| Servers of external provider | <input type="checkbox"/> |

Other (please specify): *E.g. The data is stored in the EU and no transferred outside EU; the system cannot track the IP; cookies are enabled just for keeping the session active and deleted after the session expires; the data transmission takes places via https://; you need to check the security incident procedure of the contractor and the data breach procedure*

10) Lawfulness of the processing (Article 5(a)–(d))⁸: Processing necessary for:

Mention the legal basis which justifies the processing

- (a) a task carried out in the public interest or in the exercise of official authority vested in the FRA (including management and functioning of the institution)
(Legal instrument: Founding Regulation (EC) No. 168/2007 establishing the European Union Agency for Fundamental Rights Article 10)
- (b) compliance with a legal obligation to which the FRA is subject
- (c) necessary for the performance of a contract with the data subject or to prepare such a contract
- (d) Data subject has given consent (ex ante, explicit, informed)
Describe how consent will be collected and where the relevant proof of consent will be stored
- (e) necessary in order to protect the vital interests of the data subjects or of another natural person

11) Data Minimisation(Article 4(c))

Do you really need all data items you plan to collect? Are there any you could do without?

The processed personal data will be adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed.

12) Transparency (Article 14)

How do you inform people about the processing operation?

⁸ Tick (at least) one and explain why the processing is necessary for it. Examples:

(a) a task attributed to your EUI by legislation, e.g. procedures under the staff regulations or tasks assigned by an Agency's founding regulation. Please mention the specific legal basis (e.g. "Staff Regulations Article X, as implemented by EUI IR Article Y", instead of just "Staff Regulations")

(a2) not all processing operations required for the functioning of the EUIs are explicitly mandated by legislation; recital 17 explains that they are nonetheless covered here, e.g. internal staff directory, access control.

(b) a specific legal obligation to process personal data, e.g. obligation to publish declarations of interest in an EU agency's founding regulation.

(c) this is rarely used by the EUIs.

(d) if persons have given free and informed consent, e.g. a photo booth on EU open day, optional publication of photos in internal directory;

(e) e.g. processing of health information by first responders after an accident when the person cannot consent.

At the launch of the consultation, the data subjects are informed about the processing operation through the Privacy Notice FRA consultations with the Fundamental Rights Platform which is available on the Agency's website.

13) Exercising the rights of the data subject (Article 14 (2))

How can people contact you if they want to know what you have about them, want to correct or delete the data, have it blocked or oppose to the processing? How will you react?

Data subject rights:

Right to have access	<input checked="" type="checkbox"/> 15 working days from the receipt of request
Right to rectify	<input checked="" type="checkbox"/> 15 working days from the receipt of request
Right to erase ("right to be forgotten")	<input checked="" type="checkbox"/> 15 working days from the receipt of request
Right to restrict of processing	<input checked="" type="checkbox"/> 15 working days from the receipt of request
Right to data portability	<input type="checkbox"/> Anytime [or specify the timeframe]
Right to object	<input checked="" type="checkbox"/> 15 working days from the receipt of request
Right to obtain notifications to 3 rd parties	<input checked="" type="checkbox"/> 15 working days from the receipt of request
Right to have recourse	<input checked="" type="checkbox"/> Anytime [or specify the timeframe]
Right to withdraw consent at any time	<input checked="" type="checkbox"/> Anytime [or specify the timeframe]
