However, Article 151 has not been amended. In ECRI's view, Article 151 cannot be applied in line with its recommendation by way of interpretation, therefore this recommendation has not been implemented. ECRI also recommended that the	Qualitative research (documentary analysis, dialogue with the national authorities)	N/A	Not applicable - national level

						that the authorities put in place a system to collect data and produce statistics on racist and homo/transphobic hate speech and violence. ECRI takes positive note that significant steps have been taken for that and considers the recommendation partially implemented.
