Hate crime	Austria, Federal Ministry of the Interior, Federal Office for the Protection of the Constitution and Counterterrorism | Bundesministerium für Inneres, Bundesamt für Verfassungsschutz und Terrorismusbekämpfung	In 2013, a total of 574 criminal acts with right-wing extremist, xenophobic/racist, Islamophobic, anti-Semitic background were recorded. Right-wing extremist organisations continued to increasingly use the internet for recruitment and radicalisation activities. A movement, which has been active in several Austrian provinces since 2012, focussed its propaganda on the "identity" of its own people, which is to be absolutely preserved and protected against mass immigration and "Islamisation". In 2013, this group carried out several active agitations. By means of pop cultural forms of protest (e.g. flash mobs), they tried to attract media attention.	quantitative (statistics on incidents) qualitative (expert assessments)	N/A	Not applicable - national level
