Sweden	2015	ECRI, ECRI Conclusions on the implementation of the recommendations in respect of SWEDEN subject to interim follow-up Adopted on 19 March 2015	https://www.coe.int/web/european-commission-against-racism-and-intolerance/swed...	Racism & xenophobia, Discrimination, Ethnic profiling	ECRI | European Commission against Racism and Intolerance | Council of Europe	ECRI considers that, while the authorities have taken some small steps towards reducing social exclusion and its effects on migrants, in particular de facto residential segregation, their initiatives do not go beyond individual projects in certain localities. There is still no evidence of a coherent, overall national Action Plan to address the issue, as recommended by ECRI.	The working methods for the preparation of the reports involve documentary analyses, a visit to the country concerned, and then a confidential dialogue with the national authorities.	ECRI's reports are analyses based on a great deal of information gathered from a wide variety of sources.	Not applicable - national level
