

## Research findings

Country code	Year	Reference details title	Reference details URL	Main thematic focus	Institution	Key findings - Short summary	Methodology (Qualitative/Quantitative and exact type used, questionnaires etc)	Sample details and representativeness	Area/location of interest - NUTS3 level
Belgium	2016	<a href="#">ECRI Report, ECRI Conclusions on the implementation of the recommendations in respect of BELGIUM subject to interim follow-up. Adopted on 8 December 2016</a>	<a href="https://www.coe.int/en/web/european-commission-against-racism-and-intolerance/b...">https://www.coe.int/en/web/european-commission-against-racism-and-intolerance/b...</a>	Racism & xenophobia, Discrimination	ECRI   European Commission against Racism and Intolerance   Council of Europe	ECRI recommended that the Belgian authorities conclude as soon as possible the legislative process to turn the Centre for Equal Opportunities and Opposition to Racism into a fully independent inter-federal institution dedicated to helping all victims of discrimination. The new Inter-federal Centre for Equal Opportunities is called UNIA and it is one of the two bodies which have inherited the competencies of the former Centre for Equal Opportunities and Opposition to Racism. Thanks to its inter-federal nature, UNIA ensures the accessibility of services coming within its competence to every person in the country, whatever the legislation applicable to him/her, through a central contact point, and in collaboration with the Regions, Communities, Provinces and municipalities, through local contact points to which a claim may be filed.	The working methods for the preparation of the reports involve documentary analyses, a visit to the country concerned, and then a confidential dialogue with the national authorities.	ECRI's reports are analyses based on a great deal of information gathered from a wide variety of sources.	Not applicable - national level
