DATABASE 2012-2024 ON ANTI-MUSLIM HATRED

Research findings

Country code	Year	Reference details title	Reference details URL	Main thematic focus	Institution	Key findings - Short summary	Methodology (Qualitative/Quantitative and exact type used, questionnaires etc)	Sample details and representativeness	Area/location of interest - NUTS3 level
Cyprus	2017	Anti-discrimination authority (2017) report regarding the action of the police on the basis of ethnic profiling (Έκθεση Αρχής κατά των διακρίσεων αναφορικά με τη Δράση της Αστυνομίας στη Βάση Εθνοτικό Προφίλ), Ref. A.K.R. 21/2013, 31 January 2017	https://www.ombudsman.gov.cy/ombudsman/ombudsman.nsf/All/648F7EF5B9BBFCD9C22584...	Ethnic profiling	Cyprus, Anti-discrimination Authority	The report found that profile analysis by law enforcement agencies, often manifested in 'stop-and-search' police practices, is permitted when it relies on a person's conduct but is unlawful if it relies entirely on one's ethnic, racial or religious characteristics. Using as case studies two different instances of racial profiling of migrants by the police which evidently relied on the person's skin colour or migrant background, the report concluded that such profile analysis infringes both the Racial Equality Directive and the Framework Decision on Racism and Xenophobia.	Equality body investigation; desk top research on the legal framework.	N/A	Not applicable - national level
