Country code	Year	Reference details title	Reference details URL	Main thematic focus	Institution	Key findings - Short summary	Methodology (Qualitative/Quantitative and exact type used, questionnaires etc)	Sample details and representativeness	Area/location of interest - NUTS3 level
Latvia	2019	ECRI, Report on Latvia (fifth monitoring cycle), 5 March 2019	http://rm.coe.int/fifth-report-on-latvia/1680934a9f	Racism & xenophobia, Discrimination	ECRI | European Commission against Racism and Intolerance | Council of Europe	ECRI concluded the State Police College significantly intensified its training activities in the area of identification and investigation of hate crimes. However, ECRI recommended Latvia to establish a unit within the State Police tasked with reaching out to vulnerable groups in order to increase trust in the police and address the problem of under-reporting of hate crimes. ECRI noted that there is a lack of promotion of counter-speech among high-level political representatives and other public figures in response to hate speech. ECRI recommended to establish a comprehensive data collection system for hate crime incidents.	The working methods for the preparation of the reports involve documentary analyses, a visit to the country concerned, and then a confidential dialogue with the national authorities.	ECRI's reports are analyses based on a great deal of information gathered from a wide variety of sources.	Not applicable - national level
