DATABASE 2012-2024 ON ANTI-MUSLIM HATRED

Research findings

Country code	Year	Reference details title	Reference details URL	Main thematic focus	Institution	Key findings - Short summary	Methodology (Qualitative/Quantitative and exact type used, questionnaires etc)	Sample details and representativeness	Area/location of interest - NUTS3 level
Hungary	2021	United Nations (UN), Human Rights Council Working Group on the Universal Periodic Review (2021), Compilation on Hungary Report of the Office of the United Nations High Commissioner for Human Rights, 25 August 2021.	https://documents-dds-ny.un.org/doc/UNDOC/GEN/G21/234/50/PDF/G2123450.pdf?OpenE...	Racism & xenophobia	UN, Human Rights Council, Working Group on the Universal Periodic Review Thirty-ninth session	The report states that racists hate speech against „Roma, migrants, refugees, asylum seekers and other minorities, in particular by public figures" is prevalent in Hungary. In accordance with the opinion of the Special Rapporteur on the human rights of migrants it was noted that also media contributes to xenophobia and anti-migrant attitudes. Concluding these facts the recommendation is made to "improve the reporting, investigation, prosecution and punishment of hate crimes and criminal hate speech, strengthen its efforts to eradicate stereotyping and discrimination against migrants, refugees, Jews and Roma and ensure that State officials responsible for discriminatory behaviour towards Roma and other minority groups were held accountable in all instances." (2.p.)	Qualitative research, report assessment.	United Nations documents, special procedures and reports are scrutinised.	Not applicable - national level
