

Research findings

Country code	Year	Reference details title	Reference details URL	Main thematic focus	Institution	Key findings - Short summary	Methodology (Qualitative/Quantitative and exact type used, questionnaires etc)	Sample details and representativeness	Area/location of interest - NUTS3 level
Malta	2024	Council of Europe (2024), ECRI Report on Malta (sixth monitoring cycle).	https://rm.coe.int/sixth-ecri-report-on-malta/1680b063ef	Racism & xenophobia, Hate speech: Public incitement to hatred or violence	Malta, European Commission against Racism and Intolerance (ECRI), Council of Europe	The report recognises developments made since the last reporting period in 2018, particularly with regards to efforts to include and integrate migrants and refugees through dedicated programmes, events and strategies. It notes that press and media continue portraying migrants in a stereotypical way and that hate speech and violence towards them continues to occur. The report also underlines how persons with migration background express a lack of trust in the police due to allegations of serious abuses committed by police officers.	Research involves documentary analyses, a visit to the country concerned, and confidential dialogues with the national authorities.	N/A - not applicable/available	Not applicable - national level
