DATABASE 2012-2024 ON ANTI-MUSLIM HATRED

Research findings

Country code	Year	Reference details title	Reference details URL	Main thematic focus	Institution	Key findings - Short summary	Methodology (Qualitative/Quantitative and exact type used, questionnaires etc)	Sample details and representativeness	Area/location of interest - NUTS3 level
Austria, France, Germany, Greece, Italy, Luxembourg, Netherlands, Poland, Spain, Sweden	2024	Organisation of Islamic Cooperation (2024). Sixteenth OIC report on Islamophobia: February 2023 - April 2024.	https://bdrive.oic-oci.org/index.php/s/jkFgGRJXBzMGomR	Hate crime, Discrimination, Hate speech: Public incitement to hatred or violence, Harassment	International, Organisation of Islamic Cooperation	The report outlines the systemic problem of anti-Muslim sentiments across the world, stressing its different manifestations in the form of discrimination, policies and political agendas, violence and defamation. It summarizes recent related national reports and developments and lists anti-Muslim incidents that took place between February 2023 and April 2024. An upward trend could be observed, which, in the case of European countries, was particularly evident in the UK, France and Germany and less strong in countries like Italy and Spain.	Identification of instances of discrimination, hatred and prejudice against Muslims through scanning news reports, social media platforms, government policies, and public statements	N/A - not applicable/available	Not applicable - European level
