

## Research findings

Country code	Year	Reference details title	Reference details URL	Main thematic focus	Institution	Key findings - Short summary	Methodology (Qualitative/Quantitative and exact type used, questionnaires etc)	Sample details and representativeness	Area/location of interest - NUTS3 level
Bulgaria, France, Germany, Ireland, Italy, Portugal	2023	<a href="#">Global Project Against Hate and Extremism (2023), Far-right hate and extremist groups.</a>	<a href="https://globalextrémism.org/country-reports/">https://globalextrémism.org/country-reports/</a>	Hate speech: Public incitement to hatred or violence	International, Global Project Against Hate and Extremism (GPAHE)	In the research available for Argentina, Australia, Brazil, Bulgaria, France, Germany, Italy, Ireland, Mexico and Portugal, GPAHE maps and identifies far-right extremist groups and movements. Entities covered generally embrace beliefs and activities that demean, harass, and/or inspire violence against people based on their identity traits including race, religion, ethnicity, language, national or social origin, caste, gender, sexual orientation, or gender identity.	GPAHE researchers rely primarily on open-source information, including journalism, official government documents and reports, court records, publications, websites, and social media accounts of the groups in question.	N/A - not applicable/available	Not applicable - European level
