QUESTIONS & ANSWERS (III)

Monitoring and evaluation of the performance of the EU Agency for Fundamental Rights

Open Call for tender No F/SE/11/T05 (OJ/S 2011/S 189-308053)

Question 1:

"We are currently completing all our forms with regards to Tender 2011/S 189-308053. One question though, in ANNEX C, FORM D.1, it states that the tenderer shall include evidence of the educational and professional qualifications described in the CVs in the form of diplomas and/or employers' certificates stating starting and end dates of employment. We must say that in all the years that we have participated in calls for tenders, this is the first time that such evidence is asked for. It is quite extensive to ask this from our team members, both in time and effort. Is it really necessary to provide you with these statements, or is it sufficient to send detailed EuroPass CVs?"

Answer 1

Please refer to section 17.2.2 of the Annex A - Tender Specifications:

"The evidence of the educational and professional qualifications described in the CVs shall take the form of diplomas and employers' certificates stating starting and end date of employment."

Therefore we confirm that it is necessary to provide the evidence of the educational and professional qualifications.
