<sup>2</sup> **Personal data** is any information relating to an identified or identifiable natural person, i.e. someone who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity. This information may, for example, be the name, date of birth, a telephone number, biometric data, medical data, a picture, professional details, etc.

**Processing** means any operation or set of operations which is performed on personal data, whether or not by automatic means, such as collection, recording, organisation, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.

<sup>3</sup> In case of more than one controller (e.g. joint FRA research), all controllers need to be listed here

<sup>4</sup> This is the unit that decides that the processing takes place and why.

<sup>5</sup> Is the FRA itself conducting the processing? Or has a provider been contracted?

104 Lower Baggot Street, Dublin 2, Ireland

Contact point at external third party: [FRAstakeholderconsultation@cses.eu](mailto:FRAstakeholderconsultation@cses.eu)

### 3) Purpose of the processing (Article 31.1(b))

*Why are the personal data being processed? Please provide a very concise description of what you intend to achieve with the processing operation. Specify the rationale and underlying reason for the processing and describe the individual steps used for the processing. If you do this on a specific legal basis, mention it as well (e.g. staff regulations for selection procedures).*

A selected number of stakeholders from within and outside the FRA will be invited to (a) provide verbal feedback through semi-structured interviews and focus groups (b) participate in online surveys during this assignment. The scope of the consultations will be to gather views and feedback on the results achieved by FRA, trends and drivers of change relevant to FRA's work, future scenarios developed by the contractor and FRA's strategic plan.

For the purpose of the survey, the data processor will use the [CheckMarket](#) online survey tool.

### 4) Description of the categories of data subjects (Article 31.1(c))

- b)  the Commission, or  
c)  the European Data Protection Supervisor and approved by the Commission, pursuant to the examination procedure referred to in Article 96(2) .  
d)  Binding corporate rules,  Codes of conduct ,  Certification mechanism pursuant to points (b), (e) and (f) of Article 46(2) of Regulation (EU) 2016/679, where the processor is not a Union institution or body.

Subject to the authorisation from the European Data Protection Supervisor:

Contractual clauses between the controller or processor and the controller, processor or the recipient of the personal data in the third country or international organisation.

Administrative arrangements between public authorities or bodies which include enforceable and effective data subject rights.

Transfer based on an international agreement (Article 49), specify:

***Derogations for specific situations (Article 50.1 (a) –(g))***

N /A

Yes, derogation(s) for specific situations in accordance with article 50.1 (a) –(g) apply  
In the absence of an adequacy decision, or of appropriate safeguards, transfer of personal data to a third country or an international organisation is based on the following condition(s):

(a) The data subject has explicitly consented to the proposed transfer, after having been informed of the possible risks of such transfers for the data subject due to the absence of an adequacy decision and appropriate safeguards

(b) The transfer is necessary for the performance of a contract between the data subject and the controller or the implementation of pre-contractual measures taken at the data subject's request

(c) The transfer is necessary for the conclusion or performance of a contract concluded in the interest of the data subject between the controller and another natural or legal person

(d) The transfer is necessary for important reasons of public interest

(e) The transfer is necessary for the establishment, exercise or defense of legal claims

(f) The transfer is necessary in order to protect the vital interests of the data subject or of other persons, where the data subject is physically or legally incapable of giving consent

(g) The transfer is made from a register which, according to Union law, is intended to provide information to the public and which is open to consultation either by the public in general or by any person who can demonstrate a legitimate interest, but only to the extent that the conditions laid down in Union law for consultation are fulfilled in the particular case

**8) Retention time (Article 4(e))**

*How long will the data be retained and what is the justification for the retention period? Please indicate the starting point and differentiate between categories of persons or data where needed (e.g. in selection procedures candidates who made it onto the reserve list vs. those who didn't). Are the data limited according to the adage "as long as necessary, as short as possible"?*

CSES Europe will keep the data until 29/04/2023. After this date, all personal data will be deleted.

**9) Technical and organisational security measures (Article 31.1(g))**

*Please specify where/how the data are stored during and after the processing; please describe the security measures taken by FRA or by the contractor*

**How is the data stored?**

FRA network shared drive

Outlook Folder(s)

CRM

Hardcopy file

Cloud (give details, e.g. cloud provider)

Servers of external provider

Other (please specify): The data collected by CSES Europe for this project will be stored on CSES Europe's server located in Microsoft data centres within the European Union and accessed by CSES in Ireland and the United Kingdom.. All electronic data held by CSES Europe is backed up centrally on the servers on a daily basis. Backed up data is also securely stored off-site within secondary corporate facilities. The data is explicitly tied to the Data Centre location and no transfers outside of the EU can/will occur.

## 10) Exercising the rights of the data subject (Article 14 (2))

*How can people contact you if they want to know what you have about them, want to correct or delete the data, have it blocked or oppose to the processing? How will you react?*

See further details in the Data Protection notice: e-mail to [planning@fra.europa.eu](mailto:planning@fra.europa.eu)
