¹ At least one of the five acts of harassment asked about in the survey: 'made offensive or threatening comments to you in person', 'threatened you with violence in person', 'made offensive ges(S)ASIAes ot you or stared at you inappropriately', 'sent you emails or text messages (SMS) that were offensive or threatening', 'posted offensive comments about you on the internet'.

Results based on a small number of responses are statistically less reliable. Thus, results based on 20 to 49 unweighted observations in a group total or based on cells with fewer than 20 unweighted observations are noted with brackets. Results based on fewer than 20 unweighted observations in a group total are not published.
