Data Protection Officer (DPO): Robert Jan Uhl - dpo@fra.europa.eu

2) Who is actually conducting the processing? (Article 31.1(a))

The data is processed by the FRA itself
☐
The data is processed also by a third party (Tipik Communication Agency)
☐
(our processor)
Contact point at external third party:

2 Personal data is any information relating to an identified or identifiable natural person, i.e. someone who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity. This information may, for example, be the name, date of birth, a telephone number, biometric data, medical data, a picture, professional details, etc.
3 Processing means any operation or set of operations which is performed on personal data, whether or not by automatic means, such as collection, recording, organisation, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.
4 In case of more than one controller (e.g. joint FRA research), all controllers need to be listed here
5 This is the unit that decides that the processing takes place and why.
6 Is the FRA itself conducting the processing? Or has a provider been contracted?
3) Purpose of the processing (Article 31.1(b))

Why are the personal data being processed? Please provide a very concise description of what you intend to achieve with the processing operation. Specify the rationale and underlying reason for the processing and describe the individual steps used for the processing. If you do this on a specific legal basis, mention it as well (e.g. staff regulations for selection procedures).

FRA is organising an event, “FRP meeting 2021: Human rights work in challenging times – ways forward” (the event). Our contractor “Tipik Communication Agency” is responsible for the overall organisation of the event and the communication towards the participants before and after the end of the event.

The purpose of the processing of personal data is handling registration and attendance, reporting on the event, as well as event follow-up actions, such as sharing presentations among participants and feedback collection. It includes, in particular, lists and mailing lists for contacts, invitations, participants, reports, minutes, distribution of reports/minutes, feedback on reports, meeting follow-up, photographs/pictures, presentations, audio and/or video recording of speakers and participants, news and publications.

4) Description of the categories of data subjects (Article 31.1(c))

Whose personal data are being processed?

- FRA staff
- Non-FRA staff (please specify e.g. Roma community, judges, etc.)
  - Event participants
5) **Categories of personal data processed (Article 31.1(c))**

□ Yes, derogation(s) for specific situations in accordance with article 50.1 (a) –(g) apply in the absence of an adequacy decision, or of appropriate safeguards, transfer of personal data to a third country or an international organisation is based on the following condition(s):

□ (a) The data subject has explicitly consented to the proposed transfer, after having been informed of the possible risks of such transfers for the data subject due to the absence of an adequacy decision and appropriate safeguards

□ (b) The transfer is necessary for the performance of a contract between the data subject and the controller or the implementation of pre-contractual measures taken at the data subject’s request

□ (c) The transfer is necessary for the conclusion or performance of a contract concluded in the interest of the data subject between the controller and another natural or legal person

□ (d) The transfer is necessary for important reasons of public interest

□ (e) The transfer is necessary for the establishment, exercise or defense of legal claims

□ (f) The transfer is necessary in order to protect the vital interests of the data subject or of other persons, where the data subject is physically or legally incapable of giving consent

□ (g) The transfer is made from a register which, according to Union law, is intended to provide information to the public and which is open to consultation either by the public in general or by any person who can demonstrate a legitimate interest, but only to the extent that the conditions laid down in Union law for consultation are fulfilled in the particular case
8) Retention time (Article 4(e))

How long will the data be retained and what is the justification for the retention period? Please indicate the starting point and differentiate between categories of persons or data where needed (e.g., in selection procedures candidates who made it onto the reserve list vs. those who didn’t). Are the data limited according to the adage “as long as necessary, as short as possible”?

Personal data will be kept after the event to ensure implementing necessary follow-up activities with regard to the purpose(s) of the processing of personal data as well as for its related management. Data necessary for logistics purposes (reimbursement of expenses, transport, etc.) are kept according to the rules set in the Regulation (EU, Euratom) 2018/1046. Personal data related to registration and participation will be retained by FRA for a maximum of one year after the end of the event, that is 1st February 2022.

Photos, audio and video recordings are stored on the FRA Institutional Cooperation and Networks Unit drive for a period of three years. After that time all personal data will be deleted.

Non-personal information concerning the event on the FRA corporate website will be retained for 10 years.
