² **Personal data** is any information relating to an identified or identifiable natural person, i.e. someone who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity. This information may, for example, be the name, date of birth, a telephone number, biometric data, medical data, a picture, professional details, etc.

Processing means any operation or set of operations which is performed on personal data, whether or not by automatic means, such as collection, recording, organisation, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.

³ In case of more than one controller (e.g. joint FRA research), all controllers need to be listed here

⁴ This is the unit that decides that the processing takes place and why.

⁵ Is the FRA itself conducting the processing? Or has a provider been contracted?

- For questions and answers, surveys and collection of participant's feedback, FRA uses Slido audience interaction platform.

3) Purpose of the processing (Article 31.1(b))

Why are the personal data being processed? Please provide a very concise description of what you intend to achieve with the processing operation. Specify the rationale and underlying reason for the processing and describe the individual steps used for the processing. If you do this on a specific legal basis, mention it as well (e.g. staff regulations for selection procedures).

The purpose of the processing of your personal data is the organisation of the Webinar on How to best multiply expert knowledge on the EU Charter of Fundamental Rights at national level (hereinafter: the event), which will take place on 29 March 2023 online via Cisco Webex platform.

This includes the handling of the participant's invitation, registration and attendance, granting participants access to the online platform, minutes taking at the event, collection of feedback, as well as event follow up actions, i.e. reporting on the event, such as sharing presentations among participants and feedback collection. It includes, in particular, creation/sharing of participant lists; mailing lists of registrations and participants. The event evaluation will be done anonymously.

FRA further uses Slido and Mural audience interaction platforms for questions and answers, surveys and collection of participant's feedback.

For the registration to the event, and follow-up activities, such as reporting, we collect and process the information and personal data you provide us by completing the online registration form.

For the event, FRA uses the Video-conferencing software Cisco Webex. Participants will be invited to register online for the event via an email sent to them by FRA:

- Registration to the event will be done using an [online form](#) created by FRA;
- Participants will be sent a registration link to the event, to be hosted using the Cisco Webex platform;
- Participants will be asked to provide their name, surname and email upon registering to the Webex platform. Their name will be visible during the meeting.
- Regarding the processing of personal data by Cisco Webex Meetings service, please consult the dedicated Cisco Webex Meetings [data protection notice](#), which explains FRA's policies and practices regarding its collection and use of your personal data in the framework of Cisco Webex meetings.
- Collection of participants' anonymous answers, surveys and feedback, will be done using Slido audience interaction platform.
- Regarding the processing of personal data by Slido please consult the dedicated [privacy statement](#).
- Participants' feedback will be collected via Slido, Webex white board anonymously.

Since your participation is not mandatory, we need proof that you consented to the processing of your personal data. Consent will be collected via the Webex [registration form](#). You have the right to withdraw your consent at any time, and we will delete your data or restrict its processing. All processing operations up until the withdrawal of consent will still be lawful.

FRA is responsible for the overall organisation of the event and the communication with the participants before and after the end of the meetings.
