Article 1 – General Provisions

These rules govern the Roma internship programme at FRA. This scheme is addressed to Roma candidates only.

The aims of this internship at FRA are:

- To provide Roma interns an understanding of the objectives and activities of the Agency's role in ensuring full respect for fundamental rights across the EU.
- To enable Roma interns to acquire practical experience and knowledge of the day-to-day work of FRA Departments and sectors. To provide the opportunity to work in a multi-cultural, multi linguistic and multi-ethnic environment, contributing to the development of mutual understanding, trust and tolerance. To promote European integration within the spirit of new governance and through active participation to create awareness of true European citizenship.
- To enable Roma interns to put into practice previous knowledge and/or experience.
- To allow Roma interns to contribute to the Agency's mission in helping to make fundamental rights a reality for everyone in the EU.

Through its Roma internship programme, FRA:

- Benefits from the input of young enthusiastic Roma, who can give a fresh point of view and practical knowledge, which will enhance the everyday work of FRA.
- Creates long-term "goodwill ambassadors" for European ideas and values both within the European Union and outside.

12. In no circumstance interns are entitled to represent FRA in any meeting or activity involving external parties.
13. At the end of their internship, interns must submit to their supervisor a report on their activities during the internship period. The supervisor will then forward this report to Human Resources together with their own reports on the interns. In the light of these
