Question 3:

In invitation to tender it is noted that tenders can be submitted by post or by courier service, to be dispatched not later than 01/06/2015. Does this mean that tender will be considered as received on time if it is handed to DHL (for example) on 01/06/2015?

Answer 3:

The tender will be considered as dispatched within the deadline if the pick-up date by the courier company is the 01/06/2015. The evidence of the date of dispatch shall be the postmark or the deposit slip, as mentioned in the Invitation to tender.
